To the Executive Board of OSAA,

I would like to ask you to please let my daughter, Michelle Emert, join the Parkrose Elite Dance Team in the upcoming competitions for this school year.

Michelle missed some credits from her Freshmen year due to an illness. She was diagnosed with Anorexia-Nervosa back in May of 2012, which caused her to be in and out of the hospital for a few months. She had to undergo treatment in Colorado for two months, so she missed out on a good amount of time at school during this period.

She is now recovering and continually progressing and getting her life back on track again. She's on her second year of being an active member of the Dance Team and has enjoyed every practice and competitions that she participated in during the last school year.

Michelle's passion for dancing and her pride of being apart of the Dance Team really makes her deserving to join in any competition that the team is planning to do. Her hard work and dedication is inspiring. What she has gone through was no easy challenge, and the outcome is remarkable, thanks to Dance.

Thank you so much for your consideration. If you have any questions, here is my contact information:
