Dear Andy:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8.1 (Grade Deficiency) and OSAA Rule 8.1.2 (Satisfactory Progress Toward Graduation). After carefully reviewing all of the information that you have submitted, I have concluded that there is sufficient evidence to grant eligibility at this time. Documentation has been submitted to indicate that the school has put the student on a credit recovery program that will enable the student to be able to graduate on schedule.

Conditions of this eligibility shall be weekly monitoring by the school of the student's grades, the student must pass ALL classes each week, be attending school regularly (no unexcused absences), and the student must complete his credit recovery plan to make up the courses that were not passed in grades 9 and 10 in an attempt to get back on track toward graduation. If at any time the student fails to meet these requirements then eligibility will be automatically revoked.

**Please Note: This is the third year of four consecutive years of eligibility for this student under OSAA regulations.**

It is our sincere hope that this waiver will be of benefit to the student.

Sincerely,
