

Xavier

To whom it may concern

Hi, I'm Xavier you probably
already know why I'm writing
this letter so I'm gonna
go straight into why I did
so bad we lost 2 years of
high school, the first reason
would be we coming out of
eighth grade that summer my
mother past with cancer that
took out out of me emotionally
and physically, the second
reason would be lost the
I was taken from my Aunt
Uncle's house and put in
a foster home. that was
next for me knowing I
wouldn't have any family
around to help me.

Sincerely,
Xavier Delacruz
