

From: Edwin Garcia's Dad

To: DSAA Handshp Committee

Edwin had to join the team late because, he had to make up a couple classes he failed in the past. We wanted him to get caught up with his classes, with the help of Ms. Leathermen they made a plan to make up the credits. Which was to take two online classes to catch back up with his credits to be able to play. We are glad he is all caught up and has the chance to be able to play soccer again.
