Subject: Dylan A. Shay

Status: Not Eligible

Dear Nate:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8.1.2 (Satisfactory Progress Toward Graduation). After carefully reviewing all of the information that you have submitted, I have concluded that eligibility should not be granted at this time.

Eligibility is denied because the student has failed to demonstrate sufficient academic achievement at this time, and the student has not established this deficiency is due to circumstances beyond the control of each of the student and the student's parent(s). He is significantly behind in satisfactory progress toward graduation by June 2016. The student has only achieved 9 credits over the last 3 years and still needs 16.5 credits to graduate. He has not been eligible for the last 2 ½ years due to grade deficiencies (did not pass 5 classes).

Therefore, the student is not eligible to participate in any OSAA activities during the 2015-16 school year.

You have a right to appeal my decision to the OSAA Executive Board. If you would like to schedule an appeal, please forward a written request to the OSAA office. As per OSAA Executive Board Policy "Eligibility Appeal Filing Fee", there is a non-refundable \$100.00 filing fee to defray the costs of the appeal.

Sincerely,
