Dear Hardship Committee,

I write this letter on the behalf of Isabella Prieto. She began attending MAA early in October, after starting her freshman year at Oregon City High School. I spoke with Isabella's mother Amanda and Isabella about her transition. They both expressed the importance of being with a supportive social group and they indicated that was the main reason for coming back to MAA/MHS. Isabella attended Rowe Middle School, which is a Milwaukie feeder school and Isabella expressed her need to be with her friends.

I know that Isabella worked with our athletes and coaches at Milwaukie High School last summer and has a desire to participate in basketball this season and for seasons to come.

Please let me know if you have any questions. I appreciate your time spent on our students in our league!

Sincerely,

K.T. Emerson

To Whom It May Concern:

The purpose of this letter is to attest to the fact the Isabella Prieto did attend Oregon City High School until October 12, 2015. She enrolled as a freshman and started school on September 1, 2015.

Isabella and her Uncle approached Oregon City's girl's basketball coaches last spring about playing basketball at OCHS. At the time she was living in Canby with her Uncle. We were told that she would be living in OC by the time school started and when school started they had an apartment on Pearl St. in Oregon City. Isabella participated in the OC open gyms in the spring and summer, played in several summer league tournaments and even traveled with the team to San Diego in July. She participated in very few open gyms in the fall before withdrawing from school in October. The OCHS coaching staff was under the impression that Isabella wanted to come to Oregon City to be a part of its girls basketball program.

If I might be of further assistance, please feel free to contact me.

Sincerely.

My reasoning for transferring from Oregon City was for my education. Oregon City was just too big of a school for me. I did not fit in, I was having trouble with my academics and was falling behind. The four weeks I was in Oregon City High School. Last year I attended Howe Middle School.

I really enjoyed that middle school and when I found out that I was moving, I was disappointed because I wanted to attend Milwaukie High School, with all of my friends and to have a wonderful 4 years of high school. Transferring into MAA was the best idea for me and my family, the teachers are very helpful and very understanding, they are more hands on than Oregon City. Education is very important to me. I believe that MAA will help me achieve my goal to go to college and make a career. I plan on staying at Milwaukie till I graduate. Oregon City was a great experience for me but I wasn't happy where I was at or at my academics due to how big the school was and the unfriendliness of the students there. MAA has been

Very welcoming and I enjoy going
to that School. Thank you
for your time.

Sincerely,
Isabella Pinto

Isabella Prieto does not have previous transcripts since she only attended Oregon City High School for 3 full weeks.
