To the OSAA:

I am writing this letter in behalf of Feather Mountian Sheep, 5th year SR. Feather has been at Chemawa for 2 years and during her time here has passed all her classes and is on track to graduate in the spring of this school year. From what she has told us and from her fathers' letter her first 2 years of school were disrupted because of her father moving looking for work, she was in and out of schools as he was moving to find employment. Since attending Chemawa it has given her a stable environment to continue her education. She is wishing to play sports this school year if given the chance. Others have come to me wishing to get a 5th year waiver and this is the only one that I thought had a valid reason to write and get a waiver.

Thank You, Gerald Mack
