Dear Mark:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA rules. After carefully reviewing all of the information that you have submitted, I have concluded that the student is not eligible at this time due to not being on track toward graduation at the end of last year and unsatisfactory academic progress during the current semester. However, the circumstances surrounding this situation warrant that the student's academic progress be closely monitored and eligibility will be granted on the above date if the student is passing ALL classes that she is enrolled in at that time (minimum of 5).

**If she is not, then eligibility will be revoked for the remainder of the first semester.** A future request may be submitted after the first semester is completed showing that she has passed ALL classes at that time.

I sincerely hope that this student will benefit from this waiver.

Sincerely,
