I'm writing in regards to our Granddaughter, Shareya Scott, who is a Junior at Madras Senior High School. This is a letter of support for Shareya to play Basketball for the school year 2015-2016. Shareya is a very talented, good student and a very conscientious young lady. Shareya, situation of her home and personal life is very complex, but Shareya has overcome her obstacles that life has dealt her. Shareya has worked very hard to keep her grades up and moved back to Warm Springs to live with her paternal grandparents. The number "ONE GOAL", for Shareya is to graduate from Madras High School and to play basketball. We are just the Grandparents, but we really support Shareya at this time for completion with High School and to play Basketball. We would appreciate that the Madras High School and O.S.A.A would give Shareya Scott a chance at this time to complete her goals of playing basketball. Again, Thank you for your time.

Sincerely,
