Tom Welter, OSAA Executive Director

Dear Mr. Welter,

This letter is written in application for eligibility for Shareya Scott. Shareya is a new student at Madras High School and is expressing the desire to participate this winter sport season. At this time she is not meeting minimum academic progress due to her starting the year with less than 10 credits.

Shareya has recently returned to Madras High school is currently under supervision of the Department of Human Services. She was here as a freshman and was academically successful at that time.

Since that time Shareya's life has had many changes. Please refer to the letters provided from the DHS, grandparents, and Shareya for more details on what has transpired in her life over the last couple of years.

We feel that we have a plan in place to get Shareya caught up in credits and not get further behind for next year. She is less than .8 credits short (of the 10 required) at this time and is currently enrolled in seven classes plus a zero period for credit recovery. Also, Madras High School is in the process of assigning grades for all previous NYP grades reflected on a student's transcript. Shareya has one of those which will move her .5 credits closer to the 10 credit requirement. This will be taking place in the next couple of weeks.

Madras High School supports this application and is committed to the plan for Shareya's academic success that has been put in place.

Shareya did attend a couple of summer league events with Madras High School and we do have a completed Student Intent to Transfer certificate on file dated May 19, 2015.

Please feel free to contact me with any questions you may have regarding Shareya's application for eligibility.

Respectfully Submitted,

Evan Brown
Athletic Director
