Dear Mr. Welter

I am submitting a hardship request for Miss Laura Parga Fuentes. Laura is an exchange student from Spain that is attending Burnt River School on an approved CSIET program. One of our teachers, Jessica Wilson, is hosting Laura and this teacher has just been rehired by the board of directors to coach our women's basketball team. The student was placed in her home by the approved CSIET program in August. As you might imagine, we don't have many folks in this small town willing to step up and coach. I have read Rule 8.6.3 (c) (6) and I am requesting a hardship for Laura so that she is able to participate in the basketball program. Thank you for your consideration.

Respectfully

Lorrie Andrews
