Dear Hardship Committee;

I am writing in support of the hardship request for **Yancy Rangel**. Yancy came to Gold Beach High School this fall from Eugene where he lived with his mother. Yancy currently resides with his father and older brother here in Gold Beach.

Yancy Rangel has completed the first quarter of the 2015-16 school year here at Gold Beach High School and is making excellent progress. He is currently receiving passing grades in all of his courses and is making a positive contribution to the school. Since arriving here Yancy has had no behavior problems and is making wise choices in activities and involvement with his peers.

I strongly recommend the approval of the hardship request as I feel further involvement in the school through extra-curricular activities will lead to more positive behaviors and build his self confidence.

Thank you;

Roy E Durfee,  
Superintendent/Principal  
Central Curry School District
