

11/12/2015

To OSAA,

Talamoa (Andrew) Tupua fell behind last year and we never thought he would be on track. He surprised us all when he started putting in the effort in the classroom and taking online classes at the same time. He has a plan to graduate with his fellow peers and we fully support him participating in athletics.

Jeromy Graybill, Siuslaw AD

A handwritten signature in cursive script, appearing to read "J. Graybill", written in dark ink.
