Re: Satisfactory Progress Toward Graduation Hardship Appeal

Westview High School is requesting a Satisfactory Progress Toward Graduation Hardship Appeal for Ogbamen Agbonze.

Ogbamen Agbonze has worked very hard to change not only his grades, but his attitude towards school and life in general. His wrestling coach, Mike Delaney, has taken it upon himself to help Ogbamen achieve success on a daily basis, be accountable for his actions, and be an advocate for himself. Ogbamen has struggled over the last couple years due to issues at home. His current transcript shows that he is 2.0 credits short of graduating. It also shows that he only passed 2.0 credits during spring term. He and his counselor have developed a credit recovery plan that will help him make up his deficiency and allow him to graduate on time. Ogbamen, his mother, and I sincerely believe that participating in the wrestling program will help him stay focused and successful. For this reason we are submitting this request for a Satisfactory Progress Toward Graduation Hardship Appeal for Ogbamen Agbonze.

Thank you for consideration of this request.
