Re: Sein Choi

This letter is to confirm that Sein Choi was invited to reside with Kelly and Teri Johns for the 2015-16 school year because they hosted her sister UnSol several years ago. Their experience was so positive with UnSol that the two families became very close, and when the option to host Sein became available, they gladly accepted. In no way was she recruited to play any sport of any kind. She is here to immerse herself in our culture, and to participate in as many school activities as possible.

Sincerely,

To Whom It May Concern,

For the 2015-2016 school year we are hosting an exchange student from South Korea. Her name is Sein Choi.

Sein's sister Unsol stayed with us as an exchange student for the 2009-2010 school year. She attended Sherwood High School. She was involved with Interact and played on the Girls Tennis Team.

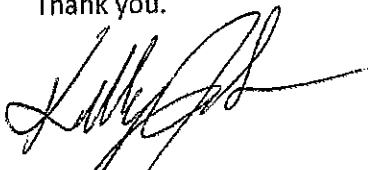

We became close with the Choi family. In the summer of 2012, Unsol, her sister Sein and their parents came to the United States for vacation and spent a week staying in our home.

Last year, when Sein decided she wanted to also be an exchange student, her father reached out to inquire if she could spend the year with us. We were thrilled and gladly accepted as we consider all the Choi family as an extended part of our family. The direct placement of Sein in our home is directly attributed to our family connection, and in no way were athletics a factor at all. In fact, prior to today, Sein had expressed no interest in athletics.

Given our encouragement to get more connected in school and branch out, and her own desire to participate in school activities, Sein has decided she would like to try the sport of basketball.

We appreciate your consideration.

Thank you.

Kelly Johns
