Mr. Welter,

I am writing this letter in support of Shayna King's eligibility request. After speaking with her family and counselor I believe that her  $\frac{1}{2}$  credit deficiency from last semester has to do with her families living/moving situation at the time. Shayna completed 5.75 credits her freshman year, with 3.40 cumulative GPA. Her current progress grades show 5 A's and 1 B, her lowest grade is 86.54%.

Shayna is a very good student, with her current class load for the year, she will attain 7 credits from South Albany High School, giving her 12.75 credits entering her Junior year. She has no credit recovery issues as she is on track to graduate with her class.
