OSAA:

Amina Donahoe has come to Thurston High School after a turbulent spring in Seattle, Washington. She now lives with her uncle, Dr. Chad Towe, our principal. Amina is an outstanding student. She is way ahead of pace to graduate and currently has a 3.62 cumulative GPA. Due to circumstances last spring, Amina was not able to finish three of her classes at Lynnwood High School, leaving her one class short for OSAA eligibility. Based on her stellar academic history and her currently strong grades at Thurston High School, we are asking that the OSAA grant Amina Donahoe eligibility to participate in girls' basketball for Thurston High School. Amina is by no means an outstanding player, but we feel playing basketball will help here connect with some peers and aid in her transition to a new school.

Thank you very much for your consideration.

Sincerely,
