How is it "substantial?" Misti has difficulties completing work for her classes because she often does not understand what needs to be done or how to do it correctly. She is very far behind and failing most of her classes. Although much of this may be attributable to Misti's chronic absenteeism, the possibility is that not understanding and not being able to complete her work may actually cause her to not want to come to school.		

The educational team certifies this student to be eligible for 504 accommodations based on the attached evaluation reports ☒ Yes ☐ No

(Attach medical report(s) and/or psychological evaluation(s) along with teacher observations, test results, and any other pertinent information such as grades or work samples.)
