Re: Nathan Shaffer

Nathan Shaffer was a student at Centennial High School from 9/16/2015 – 11/16/2015. While he was a student here he resided with his Uncle. He withdrew on 11/16/2015 to live with his grandparents. We understood that he had lived with his grandparents previously.

Nathan did play JV Football during the fall while he was here.

If you need any more information about Nathan, please contact us at the above telephone number.

Respectfully yours,

Mairi Scott-Aguirre
Interim Principal
Centennial High School
