

To whom it may concern,

I am writing this letter of explanation in hopes to get my daughter Shelby Olson eligible for the basketball season 2015/2016 at Bend Senior High. Last spring my daughter suffered a knee injury which made it difficult for her to continue at Bend high due to so much walking. We then enrolled her in online classes and we were not aware she was not taking the required amount of classes in order to be eligible to play sports. As of now she is taking the required amount of classes and is back on track.

I ask that you please allow her to play as it is so important to her and her health, also I would like to keep her involved in the school in which she is planning on returning to next semester.

Thank you for your support,

Jennifer Olson
