To whom it may concern:

This letter is in regards to Angel M. Gutierrez - Brooks and Wrestling season 2015-2016 at Gresham High School. Angel fell behind with school as he was dealing with Depression and Anxiety; he was able to get help from his doctor and has made great changes to improve his grades, being positive about school and his future. He has worked hard to obtain the credits he lacked through credit recovery with the help of his Options teacher, whom has been a positive mentor for him. He was accepted into the ACE program this year and has maintained straight A's in the program. During parent conferences the teachers at ACE had very positive comments about Angel and being a team leader in class and during on-site projects. I as a parent am very proud to see the progress my son has made. I hope that he is able to participate for the full season of wrestling. He loves wrestling! He is very excited for the upcoming season and what it will bring. He has been exercising and weight lifting 4-5 days a week in preparation for the season. If there are any questions please feel free to call me at (503) 724-2925.

Sincerely,
