Dear Sean:

I have received the Eligibility Request Form that you have submitted for the above student requesting a waiver of OSAA Rule 8.1.2 (Satisfactory Progress Toward Graduation). I have carefully reviewed all of the information that you have submitted, and I have concluded that eligibility should be granted because the student's Individualized Education Program (IEP) team has determined that the student is making adequate educational progress towards meeting the goals and objectives outlined in the IEP.

Conditions of this eligibility shall be weekly monitoring by the school to ensure that the student attends school regularly (no unexcused absences), continues to meet the goals and objectives of her Individualized Education Program (IEP), and is passing ALL classes each week so that she graduates in June 2016. If the student fails to meet these goals and objectives at any time, then eligibility is revoked. Any request for future eligibility would have to be resubmitted to this office for consideration.

It is our sincere hope that the student will benefit from this waiver.

Sincerely,

A handwritten signature in black ink that reads "Tom Welter".
