Re: Hardship Request for Yosalinn Hernandez (12th Grader)

Dear Mr. Welter,

This letter is in support of Yosalinn Hernandez, who is in need of a hardship in order to participate in Winter Sports at McMinnville High School for the 2015-2016 school year. Yosalinn is currently a Senior at McMinnville who has experienced a significant amount of transition and academic struggles over the past years. Yosalinn is an IEP student with academic challenges, who on all accounts has worked hard to make up for difficulties and credit deficiencies she experienced her freshman and sophomore years at different schools. At the time of her enrollment at MHS she was at 18.5 credits entering her senior year. Since the start of the year, Yosalinn has made up her .5 deficient credit and is performing well in her current classes.

After considering the facts and information presented to me, I believe that Yosalinn Hernandez is deserving of a hardship to allow her to participate in athletics at McMinnville High School.

Sincerely,

Ryan McIrvine
