

To whom it may concern I hailie
Harkins have come to Redmond High school
for a better education, there are many other
opportunities here at Redmond High school than
Chiloquin Jr/sr High school. There are also other
opportunities for colleges and other classes
to help for college and prepare me for college.
Going to school here will help me grow to
be a better student and a better young
adult.

Hailie Harkins

To Who it may concern,

Haulie Harkins has moved to Redmond with her Aunt and Uncle to get a better education. Moving to Redmond will give her education and Employment opportunities that she does not have available to her in Chiloquin.

Thank you

Julie Steen - Grandmother

To whom it may concern,

Hailie Harkins has moved to Redmond in order to get a better education. I believe she will excel in her academics with the help of Redmond High School's resources and staff. I think Hailie will have more educational and occupational opportunities here in Redmond.
