Dear Hardship Committee,

It is with great support that I write this letter on behalf of Ms. Kahli McNeilly. I have known Kahli since she was a little girl at Brixner Jr. High School and played basketball with my daughter. I have also known Kahli for the past three years as a student at Mazama High School.

She is a great young lady. I know that at times she has not had the greatest home life. Her situation has been difficult due to circumstances beyond her control. This move by her mother was one of these situations. I know that she is now living with her father in the Hidden Valley attendance boundary area and is attending Hidden Valley High School.

At Mazama, we were sorry to see her go and we miss her as part of the Viking family but we are in full support of Miss McNeilly being granted eligibility to participate. We know that it is in her best interest to take part in the experience of extracurricular activities.

Sincerely,

Vic Lease
