Regarding: Jaiven Rodriguez

Mr. Welter,

We submitted an OSAA Hardship request for Jaiven Rodriguez in December of 2014. That Hardship was due to not being on graduation track. Jaiven continues to not meet that graduation grade level requirement but continues to make progress towards that.

I want to also note that Jaiven was not able to attend summer school in 2015 due to an Appendicitis.

I have met with Jaiven's Case Manager, Counselor and grade level Administrator and we fully support this new request for Jaiven Rodriguez. We feel that wrestling is the motivating factor for Jaiven to continue his education.

Please let us know if you have any questions,

Steve Drake
