

To Whom It May Concern,

Our daughter, Kaylene Ritter, wishes to play basketball this year for Phoenix High school. Kaylene did participate in Cross Country this fall at South Medford High. She is currently enrolled at LOGOS and attends Rogue Community College.

We have relocated this fall to a rental on 833 Beeson Lane Talent. We have provided a Pacific Power bill and account linked to that address. If there is further documents needed please let us know.

We hope you allow this transfer. Also, she may also be enrolling at Phoenix High when this first semester ends.
