

# Phoenix-Talent Schools

## Excellence For Everyone

---

11/30/2015

District Athletic Committee,

I am writing this letter on behalf of Kaylene Ritter. Kaylene is classified as a mid-year transfer and she wants to participate in basketball at Phoenix High School.

Kaylene is currently an 11<sup>th</sup> grader enrolled in LOGOS Charter School in Medford. She attended South Medford High School as a 9<sup>th</sup> and 10<sup>th</sup> grader. Kaylene enrolled in LOGOS Charter School this fall and is currently attending. She participated in Cross Country at South Medford High School this fall. The entire family moved from the Medford attendance boundary into the Phoenix boundary at the end of the cross country season. She is not able to represent South Medford in sports, because she must represent the school within the attendance boundary she resides, which is now Phoenix.

She is still attending LOGOS Charter School where she will finish the semester and look to transfer into Phoenix High School. We would appreciate the district committee granting her eligibility to participate in basketball at Phoenix High School.

Sincerely,

Toby Walker  
Assistant Principal/Athletic Director  
Phoenix High School
