To Whom This May Concern:

I am writing this hardship letter for Morgan to let you know how Important it is to her, to be able to play Girls Basketball. I am not her legal guardian. So maybe this letter will help her have a chance to play.

Morgan moved in with Bud & I (her grandparents) June 2015. She decided to go to school in Drain, This is her last year - I think by being part of the team it will build her confidence up. She is a Sincere & Respectful Person. I also think She would do all she could to fulfill her part ~~of being~~ for the team.
