

Cottage Grove High School

District No. 45J3

"A PLACE OF PRIDE"

12/1/15

To whom it may concern:

Morgan Gilmore was a student at Cottage Grove High School from fall of 2012 until the fall of 2015.

Morgan had a difficult time her Freshman and Sophomore year at CGHS but she was able to improve her Junior year and earned a significant amount of credits. I am not sure of the reasons for Morgan's leaving Cottage Grove H.S., but she was never a behavior issue and we are happy she has been doing a good job academically at North Douglas H.S.

I hope that she will be able to gain eligibility and play basketball as a reward for her improvements.

Thank you,
