Rod, thank you for being willing to write a hardship on Randyn's behalf. I feel it is vital to get Randy plugged in to athletic/activities as soon as possible and I fully support the hardship needed to make that happen. If I can be of further assistance please do not hesitate.

Subject: Transfer Waiver, or...? Randyn Thomasson, 11th Grade

Hello,

I am a newly appointed athletic director for the Prospect School District 59. Please forgive my "newness" and mistakes I may be creating in this process...

Randyn Thomasson, an 11th grade student this year, has transferred back to Prospect Charter School in Prospect, Oregon. She desires to play basketball and softball this year, but due to the mid-year transfer, it appears she is ineligible. We intend to request a hardship for her situation.

Would you be willing to submit me a letter allowing Randyn to participate in sports should she meet the other necessary requirements? It is my understanding that Randyn intends to stay in Prospect for the rest of her high school years.

Thank you for your time and assistance in this matter.

Take care,

Rod Kuykendall, RAA
