I, austin Burgess, want to transfer back to Falls City School. The reason why I'm coming back is because I miss my friends and want to play basketball there. Another reason is, it just doesn't feel right there, and I like the smaller school.

Austin Bengess will be transferring to Falls City School. He started his freshman year at Dallas High School, as did his ~~seven~~ six older siblings. It hasn't been a good fit for him. He has been in Falls City for the last four years of his schooling. He liked the smaller school and loved playing sports with his friends. The bigger school hasn't been as personable and it's difficult to get extra help with homework. He gave it a good try but has decided the smaller environment is a better choice for him.

Thank you,  
Aria Bengess

To whom it may concern

My name is Art Houghtaling and I am writing this letter on behalf of Austin Burgess. Austin attended Falls City Elementary School from 5<sup>th</sup> grade to 8<sup>th</sup> grade and decided to attend Dallas High School at the beginning of his freshman year. Being in a larger school has not been a good fit for him. I believe that attending Falls City High School with his close peers would be best for him socially. Also, being at a small school he can get more in-depth help with his academics.

Austin has expressed an interest in playing sports for the remainder of this year.

I believe that participating in sports will help him continue to connect with his peers as well as help keep him motivated. I therefore encourage you to approve this hardship request.

Thank you
