Murrell

Hi my is Logan Murrell But i go
by Latrell my High School Experiences was
Never what i planned it out to be
my first year of it my grandpa father
was in coma for six months and
was by him throughout that whole
period of time I wasn't coming
tell about third period everyday
which didn't help me a bit and
it was hard for me because my grandpa
was my rock I could ask him anything then
my sophomore year when i got told I wasn't
eligible to play I gave up because there
wasn't anything I wanted to do but
play basketball. and this why I have
work hard this year to make my
granpa proud and maybe finally reach
some of my goals in life
