RE: Zachery Brown

Tom Welter:

Zachery Brown was found eligible for Special Education services under the qualifying category of Specific Learning Disability. He currently does not meet the requirements for Rule 8.1.1 *Grade Deficiency (Not Passing 5 out of 7 Classes in previous semester)*. He is on track with his IEP goals and will graduate at the end of this year. I have enclosed a letter from his Special Education case worker explaining his academic skills. If hardship is granted, his progress on his IEP will be monitored weekly by his Special Education teacher and the athletic department. Thank you for your consideration.
