

Hi my name is Jayce Gregg, I used to live in Lake Mary Florida with my mom and step-father. I and my family had some issues that progressed to the point that we all felt that it would be better if I moved to where I am now. I am living with my Aunt Robin and her husband Brian in Elgin Oregon, attending Elgin High School. I am currently a junior in school and on track to graduate from high school with a regular diploma. I had no prior knowledge of what Elgin Oregon was like, or who was in it. All I knew was that where I was, was not a good situation for me and I had family here in Elgin that would give me a better environment to live in. I was playing sports at my old school and I was in the middle of football over there. I love playing sports and staying active and would like to be able to continue to play sports throughout the rest of this year and the rest of my high school career. Please consider making me eligible for continuing to play high school sports at Elgin High School. Thank you for your time.

Sincerely,

Jayce Gregg
