

Dec. 14, 2015

Mr. Hoepfl,

I am writing to you regarding Tyson Secord who transferred to your school this fall. I am including a discharge summary that goes with a student when they leave our school. He attended from Jan-Dec of this year. The summary includes all of his credits earned at Wynne Watts School, as well as Smarter Balance scores.

He was in good standing at Wynne Watts. He left because he moved to a new home and had completed our program here. Please tell him good luck and keep up the good work.

Thank You,
