Eligibility Request: Emma Hatcher

Emma Hatcher is a sophomore at Corvallis High School who is living with her brother and sister-in-law and is grade deficient for the last semester. This would make her ineligible by rule 8.6.1 and 8.1.1.

In spite of attending 3 different schools last year as a freshman she still earned 2.25 credits last semester and is only .25 credits short of the required number. Because of her living situation with her mother and step-father in southern Oregon her brother and sister-in-law felt that she needed to be moved. She has been an excellent student since starting the year at Corvallis High. It is our belief that her involvement in athletics is a way for her to make friends and feel more a part of the school. She did not have the opportunity, because of changing schools and financial considerations, to participate in athletics during her freshman year and has not been out for any sport prior to this winter. She would like to be a part of the swim team.

If Emma were to be granted eligibility we would continue to monitor her grades. We think that her situation is one that merits consideration for the granting of eligibility.

Thank you for considering this request.

Respectfully,

Matt Boring  
Principal
