Assistant Principal

Dear Mr. Welter:

Caleb Alavezos became a student at Ashland High School when his family moved into our district at the beginning of the school year. He spent last year as a home school student in Hawaii and, in turn, came to us with zero credits. When he enrolled at AHS, the decision was made in collaboration with his parents to enroll him as 10th grader with his same age cohort and put him on a plan to graduate in 3 years. We have that plan in place now and he is on track, taking a full load and currently passing all of his classes.

Caleb would like to compete for our JV2 basketball team and we ask that you grant him an exception so that he can be eligible to participate. Thank you for your consideration.

Sincerely,

Karl Kemper
