Re: Justin Kearney

Mid-Year Transfer without move of parents.

Churchill High School supports a hardship request for athletic eligibility for Justin Kearney.

Justin Kearney has withdrawn from Marist High School on December 2, 2015.

He currently has been practicing with Churchill High School's wrestling team since the Kearney's reside in our boundary and Marist does not offer wrestling.

On November 19th, 2015, Charles Kearney became unemployed. This was not a planned event and since this time he has applied for state provided unemployment. With Charles new employment status, payment of tuition at Marist High School has become a hardship for the family. The ability to pay tuition at Marist is out of the control of the student, thus becoming a hardship request as Justin re-enrolls at Churchill High School.

Churchill supports the hardship request.

Sincerely,

BJ Blake, Principal

Kelly Bokn, Athletic Director
