To Whom It May Concern:

On December 2, 2015, Justin Kearney was asked to withdraw from Marist Catholic High School due to violating a behavior contract. Justin's transfer was Marist's decision.

If Churchill High School files for a hardship for Justin's athletic eligibility, we support this hardship and Justin's participation in athletics. We support his eligibility because of his good standing prior to the contract violation.

Blessings,

Stacey Baker  
Principal

Rick Gardner  
Athletic Director
