To Whom it May Concern,

My name is Carley Judson and I am a transfer student to North Valley High School from ACE High School. I would like to request an exception to your eligibility rules that would allow me to play swim this year due to hardship.

I understand that, traditionally, transfer students are ineligible from sports for one academic year. I also understand that this is intended to put less emphasis on sports and more on academics within the education system. However, my transfer was not based on my own request, but rather on hardship within my familial circumstances.

I moved to North Valley due to parental neglect. It was decided I would benefit more by leaving my home in search of a better lifestyle and future. I now reside with my older sister, Cheri Estep. While I am also eligible to play swim, it was certainly not the primary reason for the move.

While I understand and support the rules and restrictions put into place by North Valley, I respectfully request that an exception be made due to the circumstances of my transfer.

Thank you for your consideration.

Carley Judson

To Whom It May Concern,

My sister's name is Carley Judson and is a junior at North Valley High School, who is a transfer student from ACE High school. Carley is also a swim player who has been approved for the swim team at school. I know that normally she would be asked to sit out for the season, but since her transfer is based on familial hardship, we would like to request an exception.

In July 2015 I asked my sister to come live with me due to parental neglect. Carley's mom had asked her to move out and her dad was not able to financially support her. Because Carley is a minor and had nowhere else to go, I asked her to move here and live with me.

I hope that this hardship from our family won't stop her from participating in a sport that she loves and that has helped her grow within the school.

Thank you for your consideration.

Sincerely,

Cheri Estep

Mr. Lathen,

Please use this email as supporting documentation for Ms. Carley Judson's appeal to participate on the school's swim team. Ms. Judson attended ACE from November 2013 to March 2015. During her time here she was a model student earning high grades and praise from her teachers for her leadership, work ethic, and willingness to help others. Carley did not have any behavior incidents or referrals to the office and her attendance was very good. If you should have any additional questions please feel free to give me a call.

Sincerely,

Bob DeRuse, Principal

RE: Carley Judson

District Hardship Committee:

Carley Judson arrived at North Valley High School at the beginning of this year due to personal reasons that she and her mom outline in their letters. Due to the change, she is living with her sister and we are appealing the affiliation without joint residency component of eligibility. Since her move this year, Carley has displayed some tremendous progress. Her grades are in order and she is on track to graduate. Please consider allowing her to compete in swimming this season. Thank you for your consideration.

If you have any questions, please contact me.

Sincerely,

Erik Lathen
