To Whom It May Concern:

This hardship letter is being written on behalf of Tyeler Hancock. As the principal of Riverside Jr/Sr High School, I feel strongly that the opportunity to participate in athletics will be a positive incentive for Tyeler.

Tyeler has recently returned to Boardman from Hermiston, his family never moved and has since been involved in a wrestling

Tyeler is currently enrolled in the classes he needs to remain on track for graduation and is participating in our mandatory after school study halls. I am confident with the support of our school staff, Tyeler will continue to thrive academically as well as athletically.

Thank you for your consideration.

To Whom it May Concern,

This letter is in regards to Tyeler Hancock hardship for athletics. Tyeler enrolled in Hermiston High School at the start of the 2015-2016 school year. We decided to send him there because he had more academic opportunities. We are enrolling him back in Riverside Jr/Sr High School as of November 30, 2015 because it is causing a financial hardship on our family.

Our decision of sending Tyeler to Hermiston was a bad decision as we did not think through the hazards of the roads in the winter and did not realize how much more it would cost each month.

Thank you for your consideration in this matter,

Bill, Pam, and Tyeler Hancock

December 1, 2015

To Whom it May Concern,

My name is Tyeler Hancock and I am writing this letter in regards to my hardship for athletics. My parents and I decided to enroll me in Hermiston High School the start of the 2015-2016 school year. I asked my parents if I could go to Hermiston because of more academic opportunities. As I make my travels 5 days a week to Hermiston I did not think that it would be so stressful to drive every day. I also did not realize how much money it takes to go into Hermiston every day and the wear and tear on my vehicle. I have realized this is financially straining my parents as I spend over \$100.00 a week and this is not including the more frequent oil changes I have had on my vehicle.

My decision to return to Riverside Jr/Sr High School was because of the physical stress of driving every day and the road hazards in the winter as I did not think it through before I enrolled at Hermiston High School. Also the most important thing, the financial hardship it is causing on my parents.

Thank you for your time and consideration in this matter,

Tyeler Hancock
