RE: Brooks Kimball

Brooks Kimball is a senior at Hidden Valley High School. He currently needs 10.14 credits to graduate. He is currently enrolled in 7 classes that will give him 7 credits toward graduation. He is currently passing all of his classes. This will leave him with 3.14 credits remaining. I have enrolled him in Odyssey Ware (our on-line courses) for 2.0 credits of science and 1.0 credit of World History. He is working on these classes after school. He has .5 credit of Work Experience completed that will be placed on the transcript once the paperwork is processed. If he is allowed to wrestle he will also receive .5 elective for sports. I will adjust his schedule as these credits are transcribed to give him more time during school to work on Odyssey Ware. This will give him the 25.5 credits that he needs to graduate this year with his class.

The follow is a plan for Brooks to complete this year:

7.0 credits from HVHS classes

2.0 Science credits from Odyssey Ware

1.0 World History credit

0.5 Sports credit

0.5 Work Experience credit

11 credits (schedule will be adjusted for a total of Total 10.14 credits)

Brooks has been in several high schools due to past problems. However, he has shown himself to be a solid student here at HVHS and he is making every effort to get himself back on track. I believe it in his best interest for him to be allowed to participate in wrestling this year. I am confident Brooks will do the work and graduate.

Sincerely,

Donald L. Farmer

Counselor (HVHS)
