To Whom It May Concern:

I am Brooks Kimball's Gramma so am writing this letter on his behalf in hopes he can wrestle at Hidden Valley this yr.

He got himself in some trouble when he was 13 (I think) and got taken out of the family home and locked up, and has been in a few different programs that (in my ~~opion~~ opinion) didn't give him the help he needed until he was placed at BoB Belloni Ranch where he got real good counseling and schooling. He actually got pretty good grades in Newbridge also as you can see from his transcript. While he is still a little deficient in credit, he is willing to try and make that up on computer classes.
