To whom it may concern

I am writing this letter regarding my Niece Luccia AKA Rylie Ellis-Buck. She started the 2015-2016 School year at South Umpqua High School with an inter-district transfer waiver. We had recently moved to Riddle and I did want to try and allow her to continue school with her friends at South Umpqua. A few weeks after school started I realized the hardship of having to provide her transportation to and from school was causing more stress than we anticipated. At this time we decided to transfer her in district to Riddle High school.

Thank you,

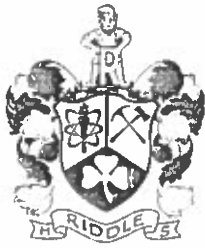

A handwritten signature in black ink, appearing to read 'Decembre Karels'. The signature is stylized with a large, sweeping loop at the end.

Why I Transferred.

Rylie Ellis

I transferred school so I could be closer to home, and my cousin and I always fought. My aunt thought it'd be better if we went to different schools, and since we live in riddle and I can't drive, I was the one to transfer schools. I'm doing well at Riddle, my grades are decent. I don't have very many friends here and I'm having a hard time making friends, so I joined basketball to try and make friends.

To whom it may concern:

Rylie lives with her Aunt within the boundaries of Riddle School District, but the family decided that it would be best for Rylie to attend South Umpqua High School. They quickly decided that this would not work due to transportation issues that arose. Rylie transferred to Riddle High School on October 19th. Since then she has shown regular attendance and has done fairly well in class. She currently is receiving 5 A's, 1 B+ and a C+. She has not had any disciplinary actions in that time as well.

However, Rylie has struggled to make friends and I hope that this opportunity to join athletics will help her fit in. She has never played basketball before but desperately wants to fit in with the kids that she goes to school with now.

Thank You

Laura can I get a letter of approval for a hardship for her since she started the year in your school?
