To whom it may concern

I am writing this letter regarding my Niece Luccia AKA Rylie Ellis-Buck. She started the 2015-2016 School year at South Umpqua High School with an inter-district transfer waiver. We had recently moved to Riddle and I did want to try and allow her to continue school with her friends at South Umpqua. A few weeks after school started I realized the hardship of having to provide her transportation to and from school was causing more stress than we anticipated. At this time we decided to transfer her in district to Riddle High school.

Thank you,
