

Why I Transferred.

Rylie Ellis

I transferred school so I could be closer to home, and my cousin and I always fought. My aunt thought it'd be better if we went to different schools, and since we live in riddle and I can't drive, I was the one to transfer schools. I'm doing well at Riddle, my grades are decent. I don't have very many friends here and I'm having a hard time making friends, so I joined basketball to try and make friends.
