To Whom It May Concern:

I am writing this letter in support of Lauren Glass's eligibility request. Lauren has experienced depression and anxiety in the last year that led her family to try homeschool and online school 2nd semester last year (her freshman year). In the first semester of her freshman year Lauren did well academically, completing 3.56 credits with a 2.71 GPA. Lauren is seeking medical care for depression and anxiety, is back at South Albany and doing well again in her classes (all A's and B's). Credit recovery for Lauren simply requires her passing all her classes from here on out (she would finish with 25 credits), her academic performance indicates that should not be a problem.

I believe that being more involved as a member of the swim team will be good for Lauren. Thanks for consideration in this matter.
