I, Jonathan Reuben, transferred here from Lapwai to live with my mom because she found a job here and couldn't find one back home.

I would like to play basketball at Nixyaawii because I like the sport of basketball. I played basketball since I was 5 years old. I believe I am an exceptional student who always had A's and B's and always had good compliments from my teachers on being a great student. And I enjoy school.

Sincerely,

Jonathan Reuben

I am writing this request of hardship for my son, Jonathan Reuben, to play basketball for school. I recently moved over to work for Arrowhead. My son is moving over with me this weekend and would like to play basketball.

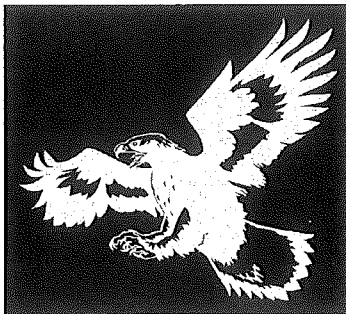

It is currently me, Jonathan and my daughter that moved here. He really enjoys sports and I ask you please accept his request to play for the school. He really wants to attend Nixyaawii and play sports. He's had great attendance and grades back in Idaho since Kindergarten. He always had exceptional comments from his past and current teachers in every class and will continue that ethic at school here. He's played football and basketball since he was little and enjoys it and puts 110% effort into sports.

If you have any questions please talk to me via cell phone, 541-240-0124.

Thank you for your consideration.

Sincerely,

Carey L. Reuben
