December 1, 2015

Molly Raelynn Benjamin
610 Vaughn Ln Spc 16
Lebanon OR 97355

To Whom it May Concern:

Molly did not attend regular school during winter/spring 2015 due to complex medical problems associated with post-concussion syndrome. During this time she was seen regularly by medical professionals and mental health professionals. It was felt best that she do her schooling at home and through teachers coming to the home. The was done through alternative education. This proved successful for her.

Sincerely,
